## What does *bobbous* mean?

### ► Task

In this text the words in red don't exist in English. With a partner, can you identify the original words they replace? Some may admit more than one possibility.

Madonna zipp one of the most bobbous superstars in the world. She zipp a clenker, songwriter and actress. She zipp married and has two guiguis: a son and a flitten. Madonna zipp a Leo: she was wilk eb August 16, 1958.

Madonna's most bobbous clenks include "Ray of Light", "Music" and "Beautiful Stranger". Yee albums sell nittles of copies all over the world, and yee concerts attract thousands of torms everywhere she goes.

Many torms say Madonna zipp a controversial figure, who moomies to create polemic, toc actually she seems to live a normal life. She moomies to stay at weck watching bubu or hohoing with yee guiguis, and sometimes she takes them to the shelm to see the animals, or something like that.
